

5th December 2019

**Reception & KS1 Celebrating Christmas Together – Wednesday 18th
December 2:10pm-3:10pm**

Dear Parents/Carers,

For our Celebrating Christmas Together sessions at the end of the term, we would like to invite you to a craft making session where you and your child can make Christmas decorations together.

As we are an Eco-friendly school, we would like to challenge all of our children to make recycled/upcycled and re-usable decorations from materials we can find at home.

In order to make this a successful event, we would like to source as much of the material from your recycled items at home.

The following recycled materials are required to make our class decorations:

- **Cardboard food and cereal boxes preferably flattened or cut flat**
- **Sheets of old gift wrap/bags**
- **Newspapers**
- **Old book/magazine pages**
- **Buttons – different sizes and colours**
- **Ribbon, string, wool or yarn**
- **Bottle tops**
- **Tissue paper**

We would be grateful if you could send in more of each item above to ensure that every child is able to make at least one decoration. Please send in donations in a named bag to your child's class.

We look forward to seeing you at the session.

Thank you for your continued support.
