Home School Agreement

The Darlinghurst Aim:

Here at Darlinghurst Academy we are invested in shaping the lives of our children.

Everyone is committed to doing their best for each and every child.

To do this we ensure that everyone knows they belong here - a place where children and adults feel confident, take risks, whilst achieving excellence together.

We know that each of our children come to Darlinghurst Academy with different experiences, skills and talents and we are determined to match our provision to help them shine bright, letting their individual talents light their way.

We believe that each and every day counts so that we can share and achieve excellence together.
