

Dear Parents / Carers,

January 2019

**Re: Sow and Grow Club**

Mrs Blyth will be starting a Sow and Grow Club on Tuesday 26<sup>th</sup> February, which will then take place at 8am each Tuesday morning until 8.30am. Mrs Blyth and the team will be growing vegetables, tending to flowers for pollenating insects and keeping tidy our allotment and outside pond area.

If you are interested, you will need to be committed and not mind getting dirty. You will need to bring in old shoes, an old coat and gardening gloves if you have them.

This is an exciting opportunity to get involved in gardening and help make our Academy look great.

If you would like to be part of the Sow and Grow Club, please complete the slip below and return to the main office by 4<sup>th</sup> February.

Thank you

Mrs E. Nicholls  
Principal
