Penguin Waddle on Friday 28th September

Dear Parents / Carers,

To support this year's African Penguin Awareness Day, Darlinghurst Academy will be taking part in the Penguin Waddle, Friday 28th September. This special day is dedicated to raising worldwide awareness about the plight of the endangered African penguin, the only penguin endemic to the African continent. All children from Nursery through to year 6 are invited to 'dress as penguins' for the day, this can include wearing black and white clothes. Children will then spend time through the day taking part in the penguin waddle supported by our specialist team.

Children will also take part in special assemblies to learn about why this awareness is needed.

Should you require any further information about the day please contact Mrs Smith
mrssmith@darlinghurst.co.uk

Yours sincerely,

Miss Arnold
