- In EYFS there is a 10% difference between PP and NPP.
- In Phonics NPP children outperformed PP children by 12%.
- In Year 2 NPP children outperformed PP. However, the gaps between PP and NPP have reduced. The gap between DA PP and Nat NPP has reduced in writing and maths.
- In Year 6 NPP children attained higher than PP in all areas. However, the PP gap is being reduced in R, W, M, GPS and combined.
- In Year 6 PP improved attainment on last year's cohort in all areas.
- PP increased progress scores for reading and maths.
- In Year 6 PP children increased their scale score in maths. Both reading and maths are above 100.
- Y6 PP progress is improving over time.
