# WELCOME

Here at Darlinghurst Academy we are invested in shaping the lives of our children. We encourage learning through a breadth of valuable experiences and exciting opportunities, throughout their learning journey with us.

We support our children to gain a full range of knowledge and skills to succeed in a 'changing world', cultivating a sense of humanity and belonging. Everyone knows they belong here - a place where children and adults feel confident and cared for, whilst achieving excellence together.

We celebrate achievements, big or small and challenge everyone to be the best version of themselves. Together, we develop the whole child, teaching learning and life skills and modelling behaviours for life so that our children possess the emotional resilience and character to succeed.

Holistic success is central to our design, to increase effectiveness and improve educational excellence and life chances.

We empower our children to be:

Successful learners - Prepared for change - Active Citizens - Confident Individuals - Effective contributors

# OUR VISION AND ACADEMY VALUES

Our academy values are intrinsic in all that we do. They are given high regard.

## Achievement:

Always do your best. Together, we will succeed!

## Belonging:

Be happy and help to make our academy a caring, welcoming place.

## Confidence:

Challenge yourself everyday. Ask, discover, explore and create.

## Determination:

Don't ever give up! Believe that you can and you will.

## Excellence:

At Darlinghurst Academy, we aim for excellence in everything we do.

### Our vision is for *all* our children to:

- achieve their full potential and develop a love of learning.
- know they belong in our community and feel safe, supported and respected.
- develop the resilience and confidence to face any challenges.
- try their best, have high expectations and be determined to succeed.

# OUR CURRICULUM

Our provision and practice has been carefully crafted to deliver a bespoke curriculum to meet the needs of our children.

We recognise the importance of building strong foundations in learning so that our children have the skillset and knowledge to succeed.

We provide intentional and responsive experiences, inside and outside the classroom across a range of subjects. Our specialist provision further supports their physical, creative and artistic skills. We hold the gold award for PE, Outdoor learning and the prestigious green flag distinction as an Eco school.

Our children are active citizens, playing their part in learning and academy life. We hold the Enhanced Healthy Schools Award, including the Emotional Health and Wellbeing Project.

# ACROSS THE CURRICULUM

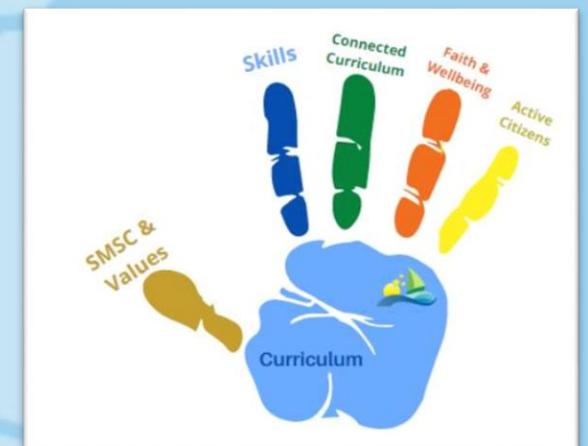

**PHONICS:** We follow a bespoke programme, developed by our school. We introduce phonics in our Nursery and as children progress through the school they are taught phonics, spelling, reading and handwriting as part of their daily phonics lesson. Our programme has a proven success rate and prepares children for the next step in their reading journey.

**WHOLE CLASS READING:** We develop a love of reading through exposure to a wide variety of texts and high quality discussions. Our children read each day, building their fluency, expression and comprehension.

**WRITING:** We encourage our children to write with purpose, linking to relevant, intentional and responsive experiences. They plan and build their ideas and further develop their craft and writers voice, using models and examples – leading to their own final piece.

**MATHS:** We support our children to gain a deep understanding of mathematics by developing their conceptual understanding and number skills, applying them to problems. They use a combination of concrete, pictorial and abstract methods. They rehearse and recall key number and multiplication facts.

**THE WIDER CURRICULUM:** We provide learning that is purposeful and relevant to the lives and heritage of our children, developing their knowledge and skills across a range of subjects, preparing them for the next stage of learning.
