YEAR 6 LEAVERS SPECIAL CLASS OF 2023

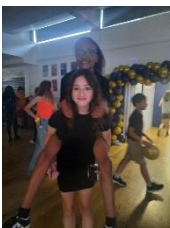

A message from the Year 6 team

We would like to say a very fond farewell to our Year 6 children and families. We have had a great time preparing and performing our Leavers' Assembly over the last few weeks. We hope you enjoyed it as much as the audience of year 3, 4 and 5 did. Thank you so much for all of your help and support with our fundraising this year. We have raised an incredible £1000 to leave as our legacy gift to the school. The Junior Governors suggested that we spend it on playground equipment and the children unanimously agreed. The Year 6 Governors have brainstormed their ideas. Some suggestions were an in-ground trampoline, a music system for the playground and a play structure with a slide for the younger children as well as balls, skipping ropes, giant draughts and chess sets. Some great ideas I am sure you agree. We are so proud of all that the children have achieved this year, in and out of the classroom. They are ready to move on to the next chapter of their story.

The Year 6 team would like to wish all of the children the best of luck in their secondary schools and a happy and restful summer to you all.

Leavers' Poem

The final day has come at last
and with it comes a heavy heart.
For all the memories that have passed
and for the friendships that have past.

Our teachers that have guided us
through SATs and learning curves.
We will miss the lessons they've taught
and the knowledge they have served.

The hall ways that echoed with our footsteps
now stand empty, silent and bare.
The lockers that held our hopes
now seem to mock us with their stare.

Our friendships that have shared laughs and tears.
Who have been with us through thick and thin/
It's hard that we won't see their smiling faces again.

It's hard to say goodbye to all,
the memories that we've made.
But we'll hold them close to our hearts
and cherish them for all our days

So as we leave this place behind
and take a step into the unknown.
We'll take the lessons we learnt
and let our journey begin.
