Online Safety
Top Tips

Keep your password private

Don't let anyone see your password or tell anyone what it is.

Communicate safely

Only open emails from people you know and trust.

Don't get personal

Never share your personal details online, even within DB.

Be respectful & responsible

Always be polite online and never use bad language.

Tell a trusted adult

If you see something upsetting or inappropriate online, always tell someone you trust.

Practice safe file-sharing

Make sure you only upload and share files which are safe and appropriate.

Safety features within DB

- (!) Teachers can moderate your blog and forum posts so think before you write

- (!) Your account can be deactivated if you misuse it

- (!) Use the golden whistle to report anything that upsets you
