

June 2024

Dear parents and carers,

Junior Music Festival 2024

All the children have been working extremely hard learning the songs ready to perform to you on Friday 14th June at the Junior Music Festival, Cliffs Pavilion.

Below are some final details in regard to the event –

Friday 14th June – AM – Rehearsal

We will be travelling to the Cliffs Pavilion by minibus leaving school at 9:15am. Whilst we are there, the children will rehearse the songs with the other schools in preparation for the evening performance. The rehearsal will finish at 12:15pm and we will travel back to school returning by 12:30pm. The children will have lunch at school.

Friday 14th June – PM - Performance

All children must be dropped off at 6pm outside the Cliffs Pavilion where a member of Darlinghurst staff will be waiting for them by the fountain area at the front of the venue.

Children must come dressed in smart school uniform, black skirt, shorts or trousers, a logo polo shirt and, if in year 6, a shirt and tie. No jumpers will be worn on the stage. Black shoes must also be worn for the performance. Children are not required to bring a water bottle with them as there will be access to water backstage should they need it during the performance.

The performance will start at 7:30pm and will finish at approximately 9:15pm. Once off the stage, the children will be escorted back outside to the fountain area ready to be collected.

There will be no choir club after school on Friday 14th June to provide children with time to relax and prepare before the performance.

Kind regards

Miss Salter
